

2018 BLAIR ANNUAL

Special Considerations for the Blair Chiropractor

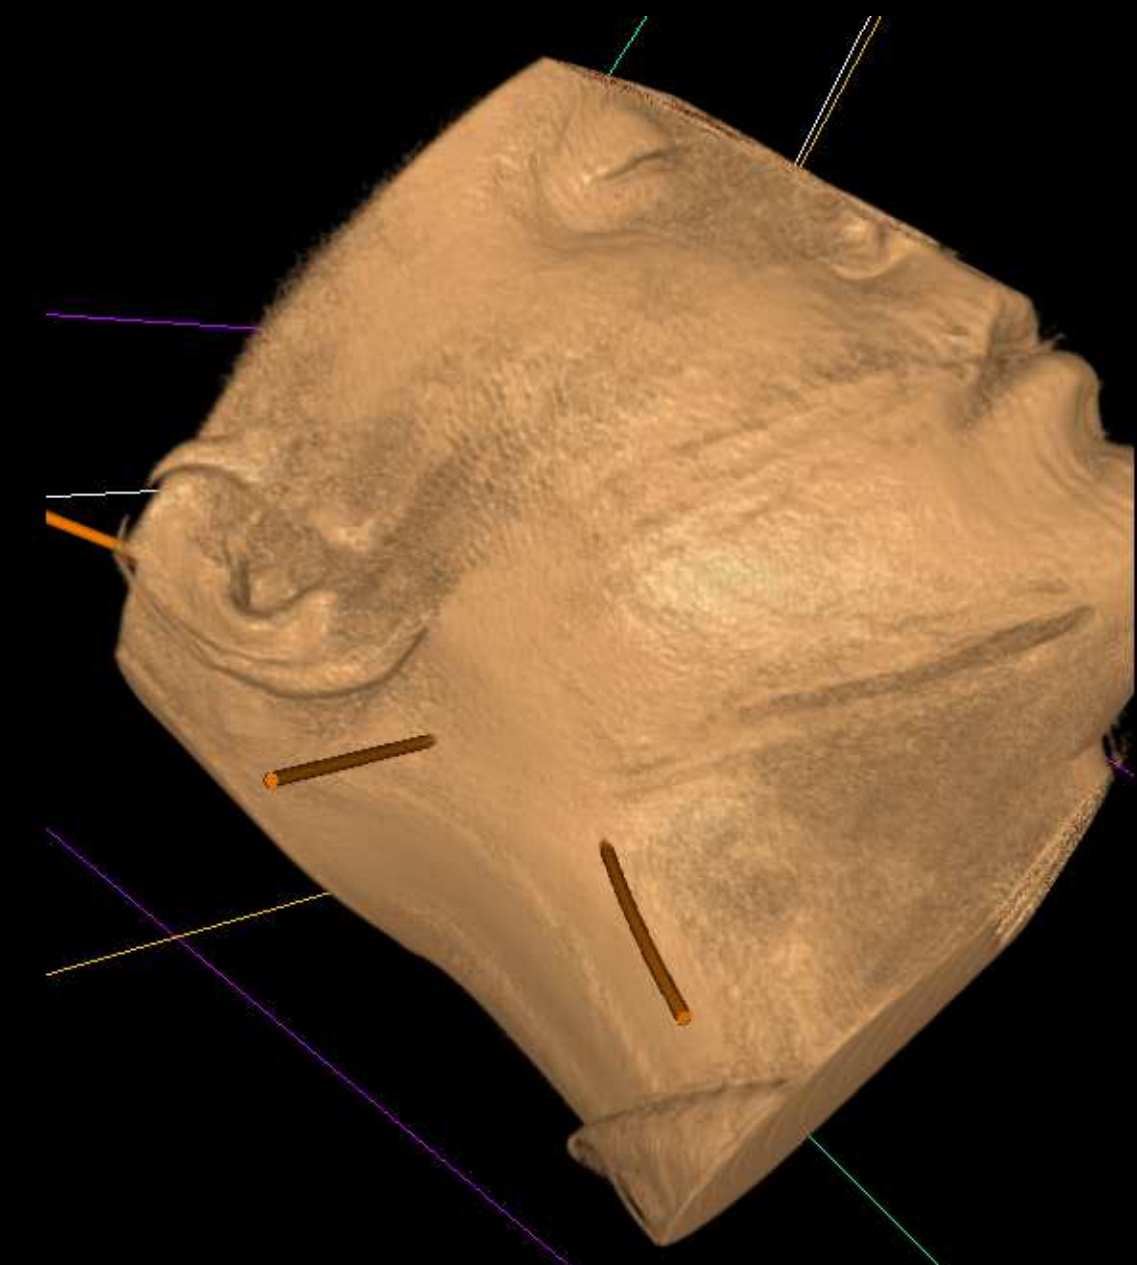

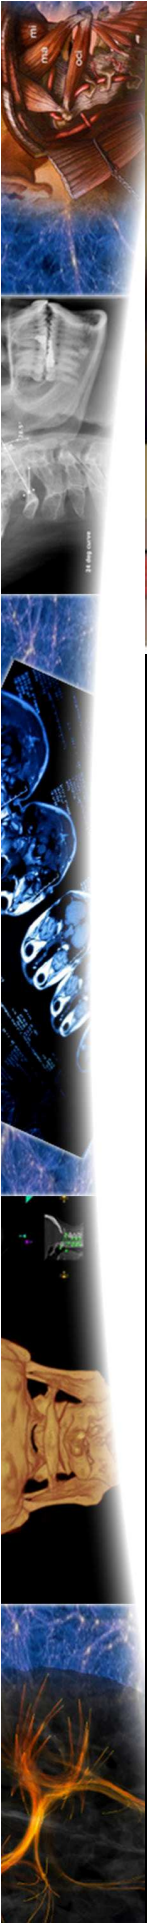

A review cases that illustrate the need for *specific* analysis, imaging, and adjustments.

ETC...

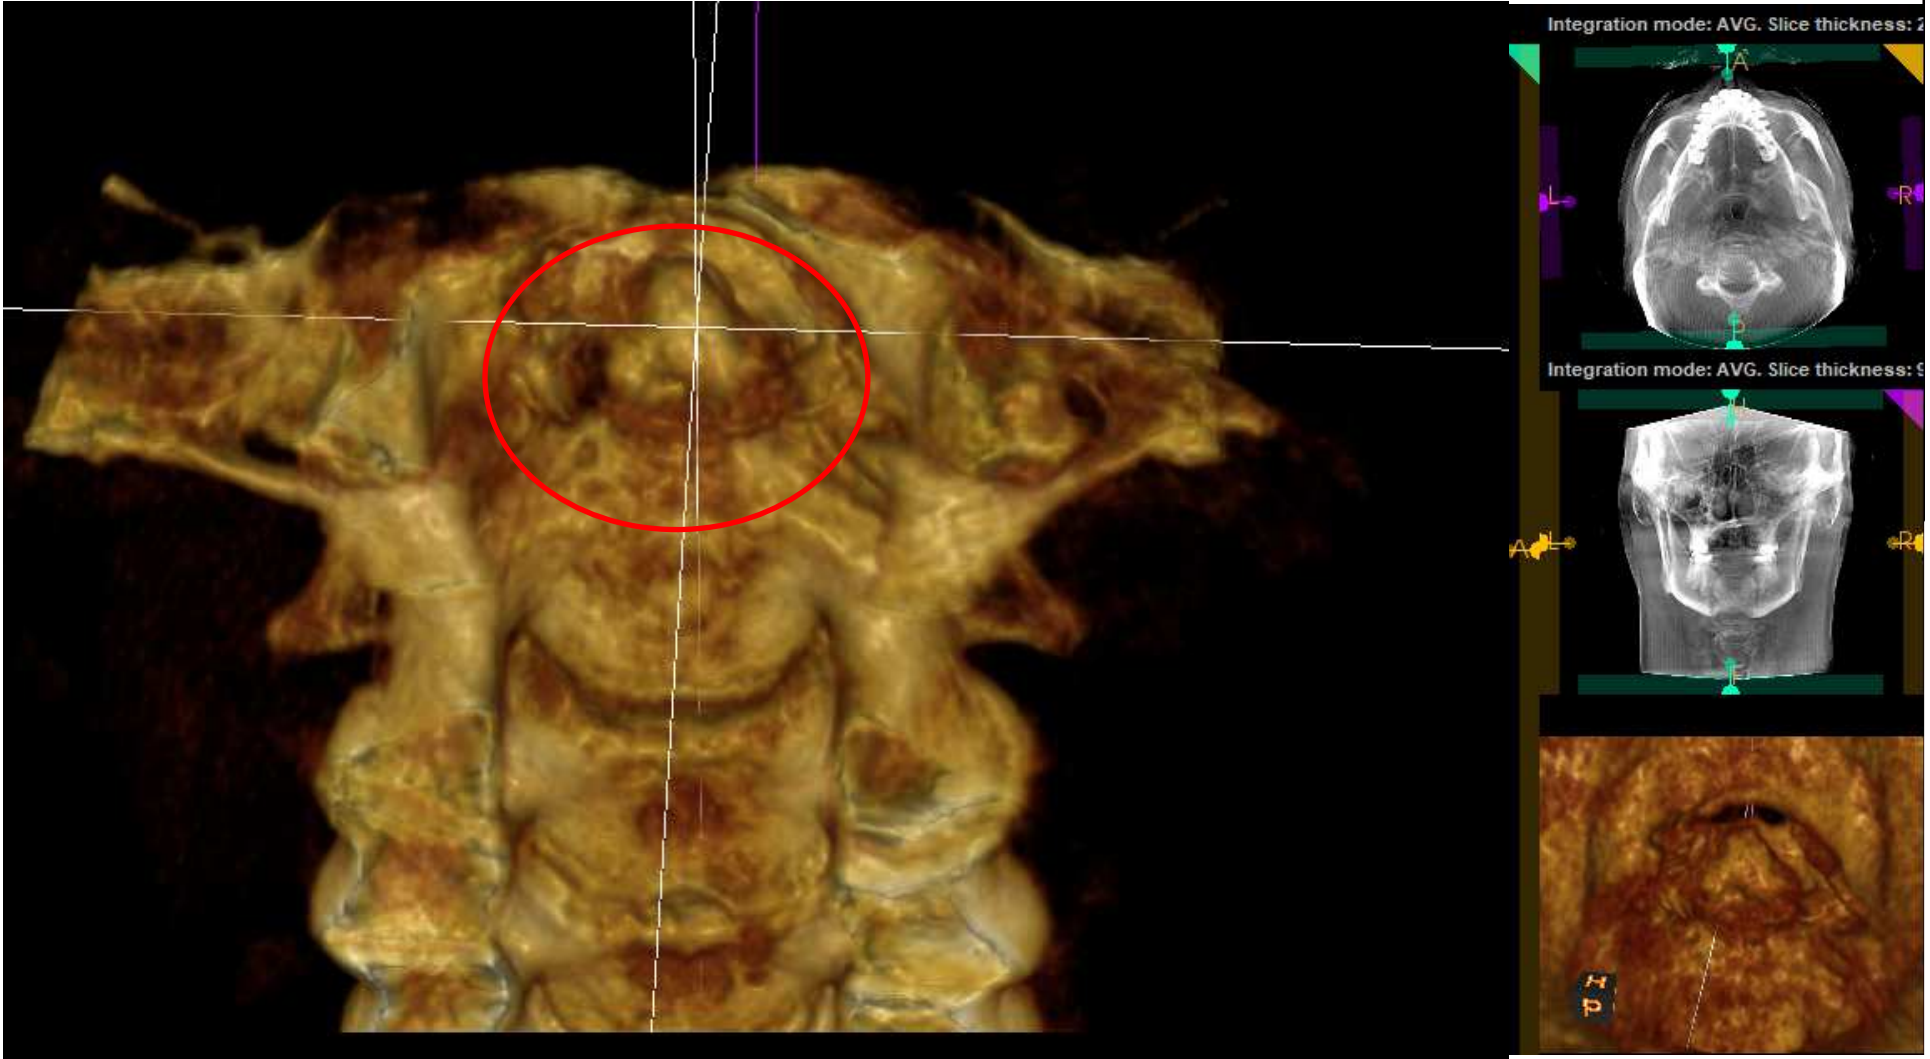

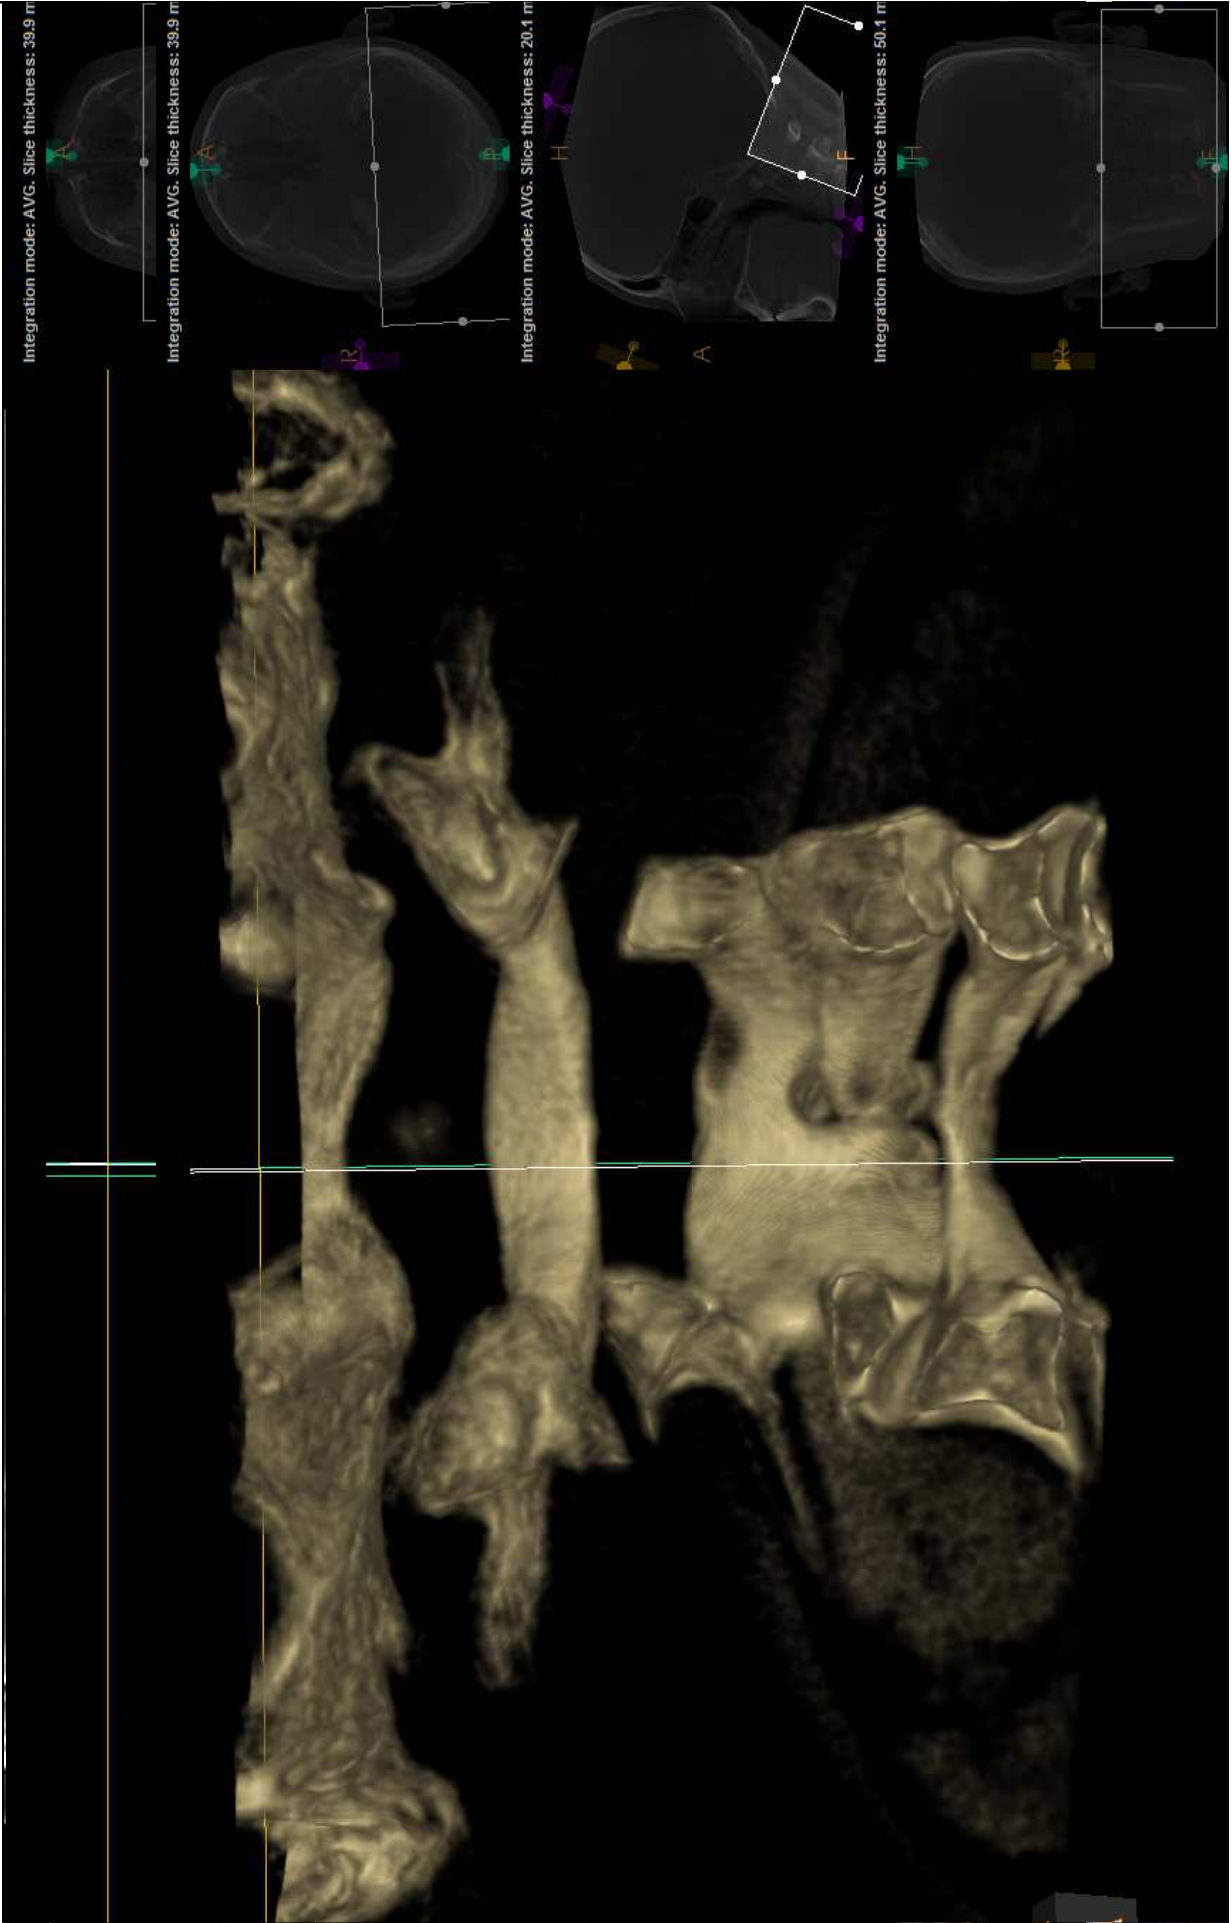

Let's get started!

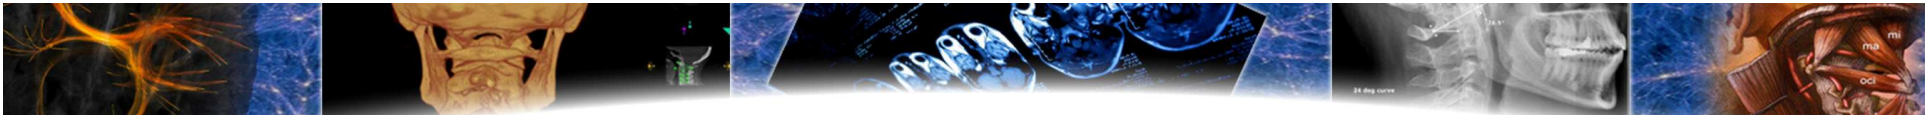

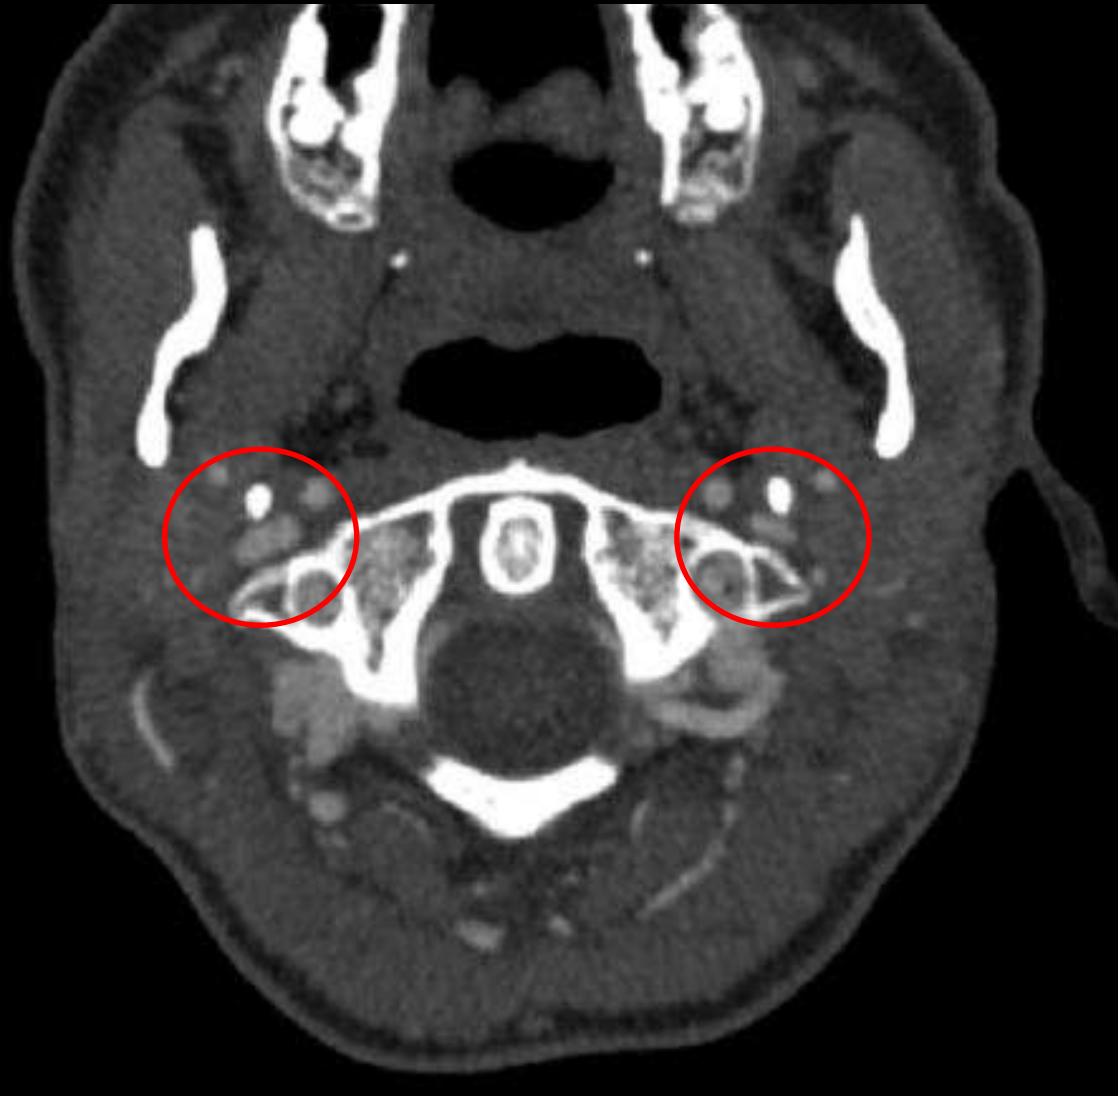

“Easy Case”

Integration mode: AVG. Slice thickness: 300 µm.

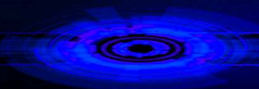

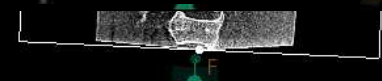

slice thickness: 2

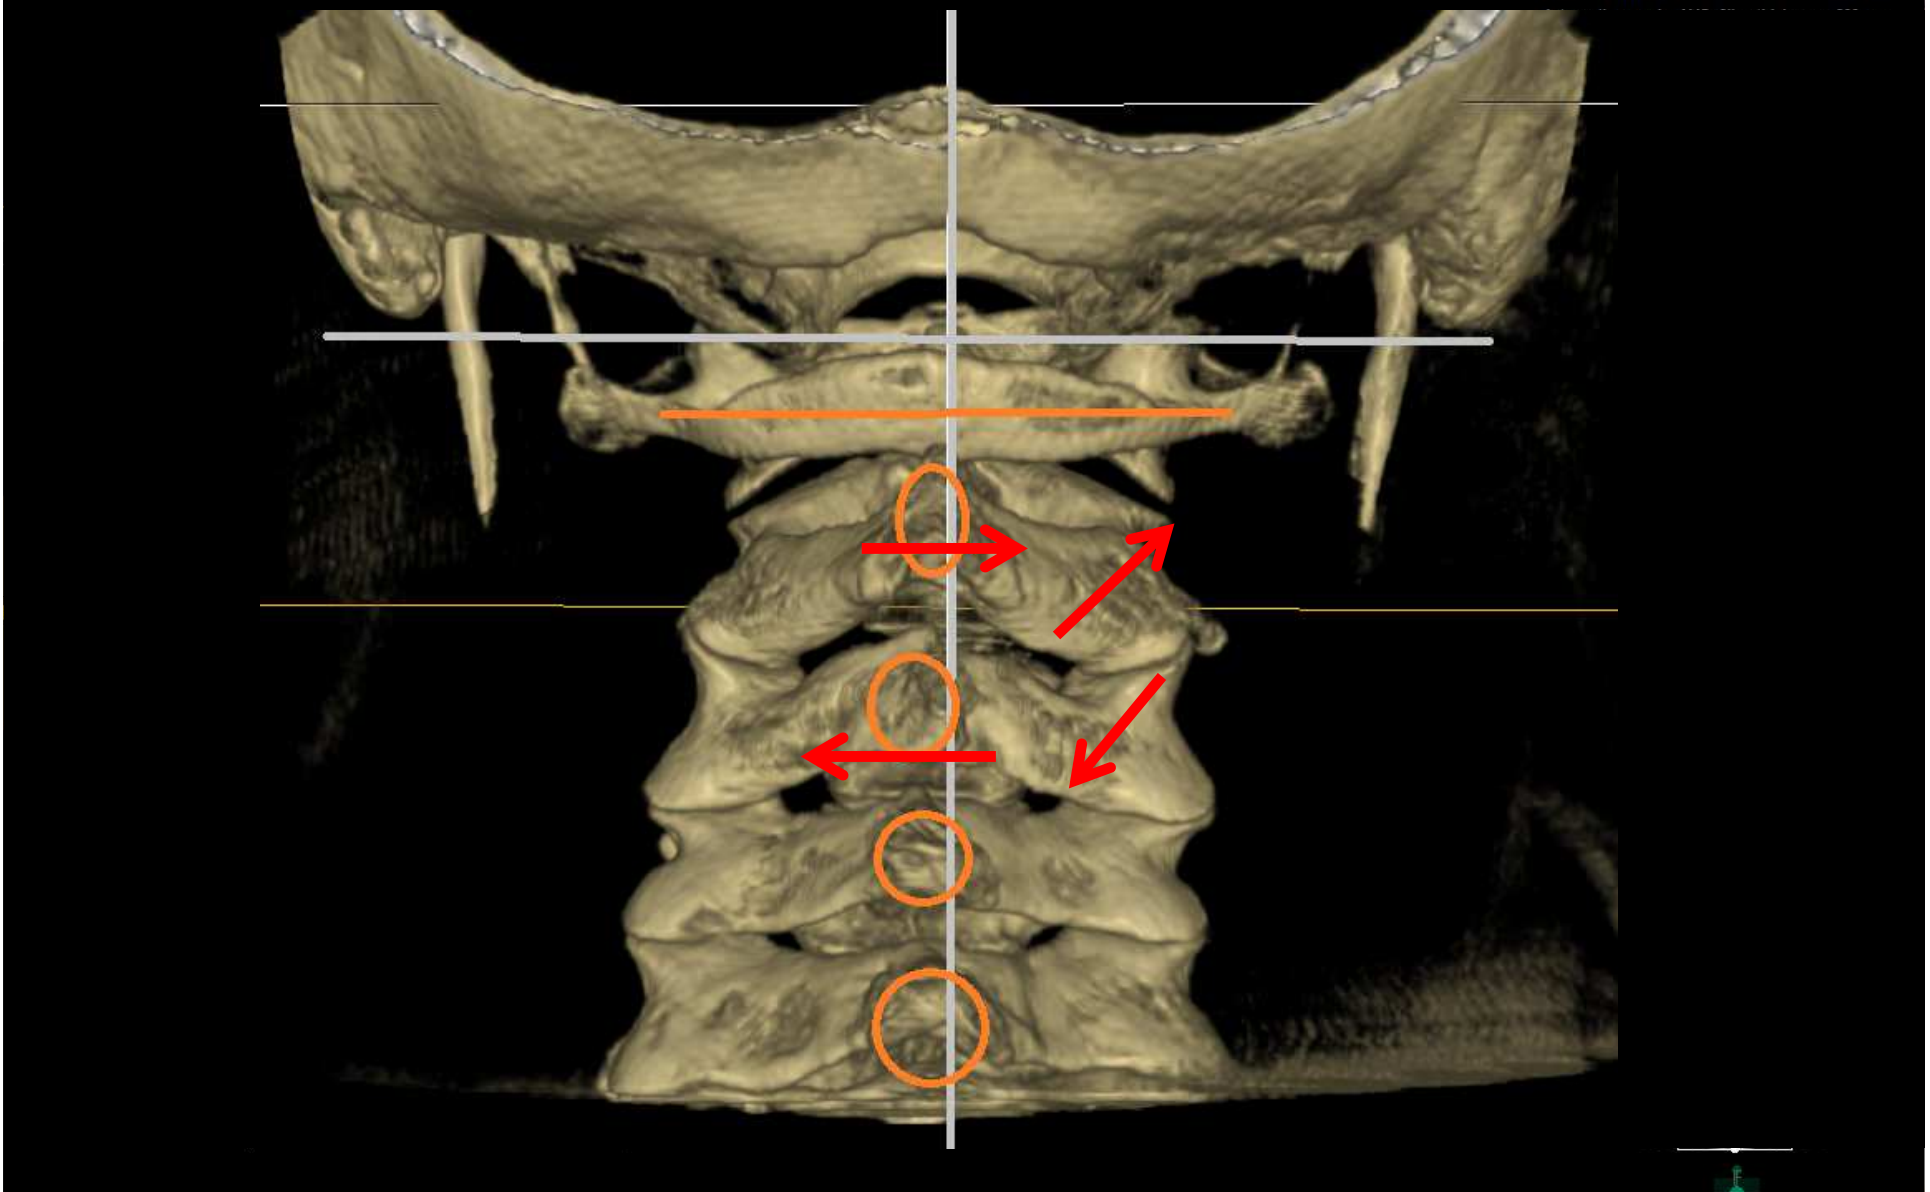

slice thickness: 5

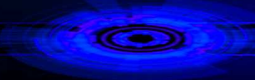

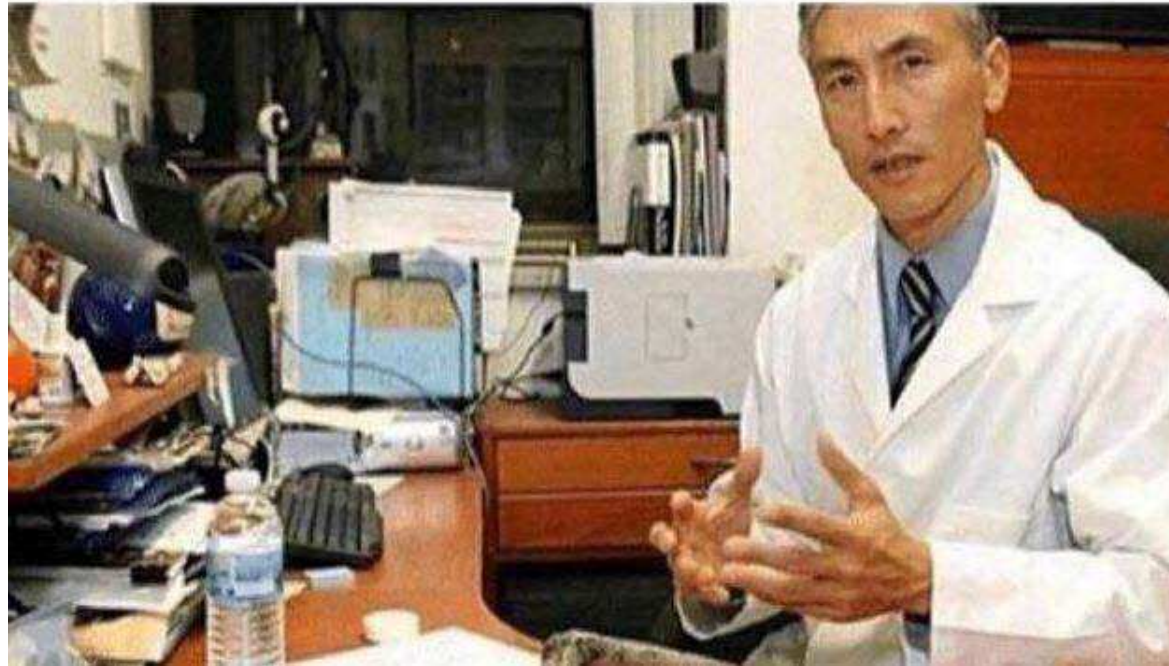

slice thickness: 2

**Study finds that hearing
an opposing viewpoint
causes no real harm.**

Thank you!
